About Us

Jain International Trade Organisation - JITO is a single largest organization of prominent Jain Business tycoons, Industrialists, Professionals, Thought Leaders and Innovators who are experts in their fields, in India and across the Globe, who share a commitment to shape the future.

The organization brings together more than 15,000 members and partners with over 67 chapters worldwide engaged in the fields of Manufacturing, Trading, Pharmaceutical, and more.

JITO is focused to set industry benchmarks for sustainable business growth and greater economic empowerment driven by 'Aarthik Sudradhata, Shiksha and Seva'. We seek to inspire and facilitate opportunities and networking platforms for men, women and aspiring youth, providing them with a steppingstone for better business outcomes, collaborations for breakthrough ideas and innovation for business success.

JITO Hyderabad takes pride in announcing the much-awaited launch of its grandest venture "The Bridal Story" - one of the most luxe, extravagant and unique wedding exhibitions curated by the JITO Ladies Wing, which will travel worldwide.
